To whom it may concern,

We have been fortunate to have had the privilege of getting to work alongside the SCREAM Team here at George Pringle Elementary School. This group of dedicated individuals have assisted in the delivery of the Health and Career Education for our grade five students. The energy and creativity they brought to our Leadership 5 program was outstanding. The students learned about their personal strengths and how to become leaders in very concrete terms. Perhaps the greatest contribution the team made to the lives of our students was the clear example of generosity they demonstrated. The program was delivered with enthusiasm and expertise and at no cost to the school.

I am thankful to have had the privilege to work with the SCREAM team. Should this opportunity be made available to your students I would encourage you to welcome the SCREAM Team into your building. This outstanding program will assist in not only addressing the Provincial Learning Outcomes but developing student leadership skills.

Sincerely,

**PRIDE**

John McMahon  
Principal  
George Pringle Elementary School
